SAVUSAVU

Savusavu is a quaint town with shops, restaurants and a great Saturday market. Locals bring their fruits, vegetables and crafts for sale. The population consists of Fijians, Indians, Europeans and other Pacific islanders which offers a charming mix of multi-cultural cuisine, and atmosphere. Koro Sun is located 15 minutes from the township of Savusavu, which allows you to easily explore our island and local culture.

VANUA LEVU

This island is the second largest of 333 in the archipelago (at high tide!). Vanua Levu is about as large as Maui for comparison in the Hawaiian Islands, and has diverse geography from the sea to the mountains. The vegetation is lush and green with many private lagoons, beaches, rainforest hikes and villages. Relatively undeveloped, you will feel like you have stepped back in time to the way life should be...

Our Clubhouse is centrally located on the property with lounges, wireless internet access, our primary dining restaurant—Palm Grove, Levu bar and front desk. Our waterfront features an adults-only pool with sandy beach surrounding the infinity pool, and a swim up bar. The Pool offers day beds, perfect for lounging, reading a book or taking an afternoon nap. If you're feeling more adventurous, you can head out to the lagoon from the pool to see some of the beautiful soft corals Savusavu is known for. The location of Koro Sun offers two beaches perfect for private picnics within 5 minutes of the resort. Private beach picnics can be arranged for guests, and is an additional fee.
